Why choose Clements for your school's insurance needs?

Clements Worldwide is a leading provider of international insurance, and thanks to our coverholder status with Lloyd's of London, we have the underwriting authority to customize solutions to our clients' needs. This has allowed us to create Clements Scholars®, a suite of coverages to protect your staff, alongside business insurance solutions to safeguard your establishment and its operations. Scholars® is custom designed for international schools, educators, administrators, and their families abroad.

Scholars Medical Health

Comprehensive coverage, world class health care. Clements has partnered with A-rated insurers to provide medical care internationally.

Technology that enables virtual care. Global telehealth enables consultations with licensed and credentialed physicians.

Easy claims. Our Claims Concierge Service includes a hotline that helps with any claims-related issues and inquiries about your benefits.

Online portal for easy account access. Receive access to health resources through our website or mobile app.
